The screenshot shows a web browser window with the title 'Pizza Orders'. The address bar shows 'http://localhost:3000/home.html?'. The browser has tabs for 'Apps', 'Recipes', 'Work', 'Other bookmarks', and 'Reading list'. The main content area is titled 'Dkin Pizza Deliveries' and features a promotional message: 'Delicious *Dkin Pizzas* delivered hot and fresh to your door!'. Below this, a paragraph states: 'Please complete the order form bellow for your pizza selections. As soon as we receive your order we will start cooking to ensure you get your pizza delivered as soon as possible.' The form is titled 'Order Form' and is divided into several sections: 'Customer Details' with fields for 'Your Name' (Firstname, Lastname), 'Phone Number' (+61 xxxxx xxx xxx), and 'Email' (Enter Email); 'Pizza Selection' with a 'Pizza Selection' dropdown menu (Please select pizza type...) and 'Size Selection' radio buttons (Extra-Large, Large, Medium, Small); 'Special Requirements' with checkboxes for 'Extra Cheese', 'Roast Garlic', 'Thick Crust', and 'No Chilli'; and 'Delivery Details' with a 'Delivery Address' field (Number and street name).
